July 8, 2003

**TO:** All Conservation Districts  
**FROM:** Mark Clark, Executive Director  
**SUBJECT:** **Conservation Commission Service Delivery to Districts**

Good News! As you may have heard by now, the Conservation Commission is back to our original complement of four field staff. With the hiring of Stu Trefry to provide service to the Puget Sound Region, we are now able to better serve districts needs. To that end, I recently changed the job title for field staff to Field Services Manager to better describe what we do: provide service to your district.

Stu will provide primary service to the following ten conservation districts: Clallam, Jefferson County, King, Pierce, San Juan County, Skagit, Snohomish, Thurston, Whatcom, and Whidbey Island. His phone number will be 360.407.6531 with e-mail [stu.trefry@scc.wa.gov](mailto:stu.trefry@scc.wa.gov).

Tom Salzer will provide primary service to the following eight conservation districts: Clark, Cowlitz, Grays Harbor, Kitsap, Lewis County, Mason, Pacific, and Wahkiakum.

In Eastern Washington Bill Broughton will provide primary service to the follow 15 conservation districts: Adams, Asotin, Columbia, Ferry, Franklin, Lincoln County, Palouse, Palouse-Rock Lake, Pend Oreille, Pine Creek, Pomeroy, Spokane County, Stevens County, Walla Walla County, and Whitman.

Butch Ogden will provide primary service to the following 15 conservation districts: Benton, Central and Eastern Klickitat, Chelan County, Douglas, Foster Creek, Kittitas County, Moses Lake, North and South Yakima, Okanogan, Othello, Underwood, Upper Grant, and Warden.

In general, I have asked our field staff to prioritize our service to conservation districts by evaluating the importance and urgency of the need. Thank you for your patience over the past few months and we look forward to accomplishing great things with you in the coming years.
